No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Rules Applying to Registration and Discipline for the listing of registerable breeds that may participate. Wherever the word "dog" is used in these regulations, it includes both sexes.

AKC Jump Height Cards

If your dog does not have a valid height card, **you are required to mark on your entry form if your dog needs to be measured**, so that your dog is placed on the Measuring List. It is the exhibitor's responsibility to have their dog measured prior to running; failure to do so will result in the cancellation of any qualifying scores. **You are not required to show your height card or send a copy with your entry.** However, exhibitors should carry the original valid official jump height card/form at each trial to present upon request. For more information please visit http://www.akc.org/events/agility/jump_height_card.cfm

Move-ups

For Monday's trial: MOVE-UPS close at 6:00 pm CDT, Monday, Apr 24. Move-ups may be sent by regular mail or email to the Trial Secretary. If an email address is provided with your entry, an email confirmation of the move-up will be sent.

For Tuesday's trial: MOVE-UPS close 30 minutes after the end of the trial on Monday and must be submitted at the trial.

Change of Entry

As described in Chapter 1, Section 21 of the Regulations for Agility Trials, a dog which is entered in a Novice A class for which it is not eligible may be moved to Novice B. In addition, if notification has been received in writing from the AKC after closing that a dog is not eligible for a class entered, the dog may be moved to the correct class. The request for the move must be made at least 30 minutes prior to the start of the trial. If a VMO or Field Representative at a trial measures a dog into a height other than what they entered, the entry may be changed from Regular to Preferred or from Preferred to Regular, as long as the dog has not run any classes that day. If the dog has already run, the change may be made for the next trial day(s). The exhibitor must provide the Trial Secretary the AKC Agility Measurement Form when requesting the class change.

Trial Information

Setup time will be announced after closing.

Trial hours are 12:00 pm to 30 minutes after completion of the trial on Monday and 7:00 am to 30 minutes after the completion of the trial on Tuesday.

Ring size: 85' x 110'.

The building is climate-controlled. There is plenty of close parking and crate space. Please bring chairs, crates and water for your dogs, and clean up supplies. All crates must be on mats.

No outside food or beverages (including alcohol) may be brought into the Event Center.

Notice to Exhibitors

The safety of the dogs is our primary concern. By entering these trials, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and able to perform all obstacles safely.

Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Event Committee.

The Cairn Terrier Club of America may cancel this event in extreme weather conditions.

Entry fees will not be refunded if the trials cannot be opened or completed by reason of riots, civil disturbance, fire, an act of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee.

Since bitches in season are not allowed to compete in AKC Agility Trials, the club will refund all but \$5.00 of the entry fee per day for bitches unable to compete for that reason. The Trial Secretary must receive written notification of such a claim for refund by letter hand-delivered, emailed, or postmarked before the trial commences.

The club will refund all but \$10.00 of the entry fee per day for injured dogs or handlers. Written request for a refund must be made to the Trial Secretary prior to the start of the first trial day and a veterinarian's or doctor's letter must be provided within one week of the trial.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made.

All dogs must be on leash or crated at all times except when in the ring or when in the designated agility warm-up area.

Flexi-leads (or similar) are not to be used inside the building at any time.

Exhibitors are responsible for being at the ring gate when it is their turn to run. The judge need not wait for any dog holding up a class. The Cairn Terrier Club of America has no obligation or responsibility for providing service through a public address system or steward for the purpose of calling or locating dogs that are not brought to the ring when required.

Entries must be made on Official AKC entry forms or copies and must include the signed Agreement and Rules. Junior Handlers must enter their JH# and complete back of form.

Owners are responsible for errors in making out entry forms, whoever may have made such errors. No entry will be refunded in the event of such errors or cancellation of entries after the published closing date. Errors in entries made by the exhibitor cannot be corrected after the closing date. No refunds for duplicate entries.

Dogs under 4 months of age are not permitted on the show grounds of AKC Agility Trials.

Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites and any communicable diseases and have appropriate vaccinations.

The Cairn Terrier Club of America does not agree to arbitrate claims as set forth on the Official AKC entry form for this event.

Returned checks do not constitute a valid entry fee. There is a \$25 returned check fee.

No refunds will be issued for overpayment of less than \$5.

Checks for canceled entries will be shredded. No check will be returned.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement.

Electronic timing will be used at these trials.

No strollers or playpens will be allowed in the building.

NO SMOKING or VAPING is allowed in the building.

Dogs may not be left in the building overnight.

INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners ProgramSM may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

Feed *your* breed.

Feeding Purina® supports the
future of your breed.

Feeding high-quality nutrition every day can help support a strong, healthy future not only for your dogs, but for your entire breed. As a Purina® Pro Club® member, each time you send in weight circles for participating Purina brand dog foods, Purina will donate 10% of the value to help the future of your breed. Since 2002, the Purina Parent Club Partnership program has raised more than \$5 million to support canine health research, education and rescue efforts.
