Dogs with a PAL/ILP number must be spayed or neutered in order to compete.

Dogs should be physically sound. Dogs that are blind, bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance are not eligible to compete. Change of Entry

As described in Chapter 1, Section 21 of the Regulations for Agility Trials, a dog which is entered in a Novice A class for which it is not eligible may be moved to Novice B. In addition, if notification has been received in writing from the AKC after closing that a dog is not eligible for a class entered, the dog may be moved to the correct class. The request for the move must be made at least 30 minutes prior to the start of the trial. If a VMO or Field Representative at a trial measures a dog into a height other than what they entered, the entry may be changed from Regular to Preferred or from Preferred to Regular, as long as the dog has not run any classes that day. If the dog has already run, the change may be made for the next trial day(s). The exhibitor must provide the Trial Secretary the AKC Agility Measurement Form when requesting the class change.

The building is air-conditioned. Please bring crates and chairs. All metal crates must be on mats, carpet or some other material that will protect the floor.

Electronic timing will be used at these trials.

Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle and then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

For Exhibition Only (FEO) -- OFFERED for FAST & T2B

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (eg, when checking in at the gate board).
- Toys are allowed in the ring.
- Toys must be non-audible.
- Toys may not leave the handler's hand.
- Toys that roll freely cannot be used.
- Food/treats are not allowed in the ring.
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and/or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

Notice to Exhibitors

The safety of the dogs is our primary concern. By entering these trials, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and able to perform all obstacles safely.

Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Event Committee.

The United States Australian Shepherd Association may cancel this event in extreme weather conditions.

Entry fees will not be refunded if the trials cannot be opened or completed by reason of riots, civil disturbance, fire, an act of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee.

Since bitches in season are not allowed to compete in AKC Agility Trials, the club will refund all but \$10.00 of the entry fee per day for bitches unable to compete for that reason. The Trial Secretary must receive written notification of such a claim for refund by letter hand-delivered, emailed, or postmarked before the trial commences.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made.

All dogs must be on leash or crated at all times except when in the ring or when in the designated agility warm-up area.

Exhibitors are responsible for being at the ring gate when it is their turn to run. The judge need not wait for any dog holding up a class. The United States Australian Shepherd Association has no obligation or responsibility for providing service through a public address system or steward for the purpose of calling or locating dogs that are not brought to the ring when required.

Entries must be made on Official AKC entry forms or copies and must include the signed Agreement and Rules. Junior Handlers must enter their JH# and complete back of form. Include only AKC titles on entries.

Owners are responsible for errors in making out entry forms, whoever may have made such errors. No entry will be refunded in the event of such errors or cancellation of entries after the published closing date. Errors in entries made by the exhibitor cannot be corrected after the closing date. No refunds for duplicate entries.

Returned checks do not constitute a valid entry fee. There is a \$25 returned check fee.

No refunds will be issued for overpayment of less than \$10.

Checks for pulled or unacceptable entries will be shredded. No checks will be returned.

Dogs under 4 months of age are not permitted on the show grounds of AKC Agility Trials.

The United States Australian Shepherd Association does not agree to arbitrate claims as set forth on the Official AKC entry form for this event.

The 2020 National Specialty show site is Purina Farms. Maps are available on the Purina website, www.purinafarms.com. Agility trials will be in the Great Hall at the Purina Event Center. Food concessions, vendors, show office and show committee tables will be in or close to the Great Hall. All reserved grooming spaces, dog bathing, and handler changing rooms are in the adjacent Gateway Hall. The General Membership Meeting and the Judges Education Seminar will be in the Founder's Room on the second floor of the Great Hall.

Access - Access to the Purina Farms property is available from 8:00 a.m. to 4:00 p.m. If the gate is closed outside of those hours, there is a button on the front gate that can be pushed, which contacts Security, who can then open the gate. To contact Security via phone, call 636-221-1428 or the back up number of 314-982-2222.

Exhibitors are responsible for cleaning up after their dogs. This includes properly disposing of waste and using designated relief areas and the public x-pen area on the East side of the Gateway Hall for all elimination needs. Designated stations throughout the facility should be used appropriately (i.e., watering station should not be used for waste or other materials).

No dogs are allowed, except for service dogs in the Checkerboard Café, on the second floor of the Purina Event Center and in any restroom or human bathing area. No swimming (dogs or people) allowed in any ponds on the property.

No dogs may be left crated overnight in either the Gateway Hall or the Great Hall, with the exception of exhibitors with reserved grooming spaces. Exhibitors may leave their dogs overnight at their own risk. There will be security provided in the building overnight. Crate cards will be provided so that owners can include contact information in case of emergency. They can be obtained at the Logo table.

No exercise pens allowed in the Purina Event Center. This includes both the Gateway and Great Halls. No exercise pens are allowed around the front and back of the Event Center or the grassy area adjacent to the East side of the Gateway Hall. Overall, exercise pens around the perimeter of the entire building are strongly discouraged. Any exercise pens in a designated grassy area should have a flooring/covering to prevent damage to the grass. All exhibitors MUST abide by the 15-minute unloading/loading parking time limit designated around the Event Center.

No parking is allowed in the following areas: Fire lanes, inside either Hall (no vehicles are allowed to drive inside either Hall) or on the sidewalks leading into either Hall, except where loading and unloading is designated. In addition, no driving is allowed on sidewalks. Driving or parking on any grass at Purina Farms is prohibited.

No helium balloons in either the Gateway or Great Halls. With the approval of the Director of Purina Farms, balloons can be used in the Founder's Room for special events. No glitter or confetti allowed in any of the facilities.

All food and beverages must be purchased through the Checkerboard Café. No outside food or beverage is allowed on the Purina Farms property (RVs are not included). Violators will be reported to the American Kennel Club. The Checkerboard Café is located close to both the Great Hall and Gateway Hall and offers a wide selection of food including daily specials. Vending machines are located in the Gateway Hall.

Children under the age of 12 must be accompanied by an adult at all times when on the grounds (including the Purina Farms Visitor Center and especially on the balcony at the Purina Event Center).

Weapons of any kind, illegal drugs, and fireworks are not permitted on the premises.

No selling of puppies or dogs on the premises.

All dogs must be on-leash at Purina Farms at all times (except when crated, exercised in the specified areas, or as required to be judged). No dogs are to be left unattended in the exercise yards!

SMOKING, INCLUDING THE USE OF ELECTRONIC CIGARETTES, IS PROHIBITED IN ANY OF THE PURINA FARMS BUILDINGS.

Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

Rabies Vaccination Certificate - Missouri requires you to have proof of current rabies vaccination with you. Tags are not accepted.

All exhibitors and their dogs must remain on the part of the property owned by Purina Farms. Trespassing on Purina Animal Nutrition property is forbidden.

USASA, Purina, the Superintendent, the Trial Secretaries and their agents, employees, etc., assume no responsibility or liability for any loss, damage, or injury sustained by exhibitors or spectators, their family, or to any of their dogs or property.

Exhibitors accept personal liability with respect to any claim in respect to any damage or injury caused by their dog(s) in their possession.

Free Day Only Parking is limited to the designated hard surface parking lots. No free day parking on the gravel parking lots. Handicapped parking is available upon request with valid identification only.
