*All participants must abide by the Purina Farms Visiting Pet Guidelines that promotes responsible pet ownership through compassion and respect. Purina reserves the right to restrict any pet and/or person from the sessions, which in the reasonable opinion of Purina, goes against these guidelines. **NOTE: The agility courses at practice sessions are intended ONLY for those with prior agility training and/or those currently enrolled in agility classes. Dogs must have a familiarity with the equipment, especially the contact equipment, in order to set them up for success and to keep them safe. Dogs must be at least 4 months of age to participate in the sessions, however, if a dog is under the age of 9 months, then he/she is limited in what he/she can do in the agility ring. If under 9 months, dogs should not be on the contact equipment and they shouldn't take jumps higher than 8".
